SUMMARY

A highly motivated and dedicated 9th-semester Computer Science and Engineering (CSE) student at United International University (UIU) with a CGPA of 2.40. Proficient in a wide range of programming languages and modern technologies, with hands-on experience in developing full-stack applications, AI-based systems, and IoT solutions. Seeking to leverage strong problem-solving, creative, and communication skills to contribute to innovative software development projects.

WORK EXPERIENCE

- Junior Developer | Royal Bengal AI**Oct 2025 - Present
- Develop and maintain AI-enabled web applications using React.js, Express.js, Redis, Supabase, Firebase, Railway, and GitHub.
 - Contribute to production projects including Prachar AI, AdReady, The Multimodal Track, MindSense AI, and Campus Twin.
 - Collaborate with the product team on feature implementation, API integration, debugging, testing, and deployment.
- Content Writer | B For Binary**March 2023 – May 2025
- Developed comprehensive assessment materials, including multiple-choice (MCQs) and short-answer questions, to test reader comprehension.
- Content Writer Intern | Privatune**May 2025 – September 2025
- Designed Book layout and diagram for readers, increasing 11% design improvement
 - Authored engaging and informative content related to academics

EDUCATION

- B.Sc. in Software Engineering (Expected Graduation: June 2026)**FEB 2022 - Present
- United International University, Dhaka
- CGPA: 2.40 / 4.00 (up until 9th semester)
- Higher Secondary Certificate (HSC)**Batch 2020
- Shaheed Police Smrity College
- GPA: 5.00 / 5.00
- Secondary School Certificate (SSC)**Batch 2018
- Monipur High School
- GPA: 5.00 / 5.00

SKILLS

- Programming Languages:** Python, Java, JavaScript, C, SQL, Non-SQL
- Frameworks & Libraries:** Spring Boot, React, Node.js
- Developer Tools:** Git, GitHub, Docker
- Design & Documentation:** Canva, Microsoft Office Suite (Word, PowerPoint, Excel)
- Soft Skills:** Leadership, Communication, Presentation, Teamwork, Problem-Solving, Time Management

PROJECTS

Prachar AI | React.js, Express.js, Redis, Supabase, Railway

- Built a social media automation platform that helps teams generate, organize, schedule, and manage content across connected channels

AdReady | React.js, Express.js, Telegram Bot API, Supabase

- Developed a Telegram bot-based product image creation workflow that converts product inputs into marketing-ready visual assets

The Multimodal Track | React.js, Express.js, Firebase, Railway

- Created a web platform for managing multimodal workflows through a unified interface for text, image, and related content inputs

Campus Twin | React.js, Express.js, Redis, Supabase, Railway

- Developed a real-time smart campus digital twin for monitoring classrooms, attendance, transport, events, parking, and emergency activities.

Parking Lagbe | Html, Tailwindcss, Javascript, React

- Developed a responsive web application to streamline the process of finding and booking available parking spots, enhancing user convenience.

CGPA Calculator | Html, Tailwindcss, Javascript

- Engineered a responsive, client-side application for students to compute their CGPA, ensuring accurate results and a user-friendly experience.

Book Management System | Java, Spring Boot

- Designed and implemented a full-stack web application for managing book inventories, featuring RESTful APIs and a robust backend.

Bara Koto? | Html, Tailwindcss, Javascript, React

- Engineered a React-based tool to provide real-time bus fare estimations, simplifying the public transit experience for users.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Member | UIU Photography Club

December 2022 – Present

- Participate in workshops and group discussions organized by the club.

AWARDS & CERTIFICATIONS

- **Champion** : Champion Award in the Electronics Lab at CSE Project Show , 2024
- **Participant** : CSE Project Show, 2025
- **Workshop Completion** :Workshop on 'Speak with Impact: Mastering Professional Communication' , 2025
- **Participation** : Entrepreneurus- Turning People Management into Business Strategy ,2025

ADDITIONAL INFORMATION

- **Languages**: Bengali (Native), English
- **Hobbies**: Playing Football, Cricket, Watching movies and listening to music
- **Interests**: Web Application Development, Front-End Frameworks, UI/UX Design, Open-Source Contribution
